

GET ACCESS TO YOUR GOOGLE SITE TEMPLATE

By:
Web Team
University of Peradeniya

Open your browser and go to *uopwebteam.github.io* and go to **STUDENT PERSONAL PAGES** page.

This webpage is built with the aim of fulfilling the University's objective to provide an each student with their own webpage. This opportunity is exclusively provided for the undergraduates of the University of Peradeniya. As the Web Consultant Unit of this project, we are trying to make this process easier for you. So, try to be more creative and innovative and build your own webpage.

Never submit passwords through Google Forms.

Within 24 hours you will receive a link to the template.

The screenshot shows an email interface with a dark header bar containing navigation icons and the text "1 of 1,713". The email subject is "Copy the template to your drive - Invitation to collaborate" with an "Inbox x" tag. The sender is "Webteam Peradeniya (via Google Drive) <drive-shares-noreply@google.com>" and the recipient is "to me". The email content includes an invitation from "webteam@gs.pdn.ac.lk" to contribute to a shared folder named "Copy the template to your drive". It provides instructions to read a "readme" file, copy the template to a personal Google Drive, and read the privacy statement and terms of use. The sender's name and affiliation are listed as "Manager, Student Personal Pages, Web Consultant Unit, University of Peradeniya". A blue "Open" button is circled in red, and a yellow callout box contains the text "Read the instructions and Click open".

Copy the template to your drive - Invitation to collaborate Inbox x

Webteam Peradeniya (via Google Drive) <drive-shares-noreply@google.com> 5:19 PM (3 minutes ago)
to me ▾

webteam@gs.pdn.ac.lk has invited you to **contribute to** the following shared folder:

Copy the template to your drive

 Read the "readme" file first.
Then make a copy of the template to your personal google drive.
(Your site can not be published using a custom domain through university google account)
Read the privacy statement and terms of use before you publish your website.

Student Personal Pages
Web Consultant Unit
University of Peradeniya

Open

Read the instructions and Click open

Open it in your personal google drive.

The screenshot shows the Google Drive interface. At the top left is the Drive logo. A search bar contains the text 'Search in Drive'. On the right side of the top bar are icons for help, settings, and a grid of apps. Below the search bar, the breadcrumb path reads 'Shared with me > Copy the template to your drive'. The main content area shows two files: 'Template' and 'readme'. The 'readme' file is circled in red. A yellow callout box on the right contains the text: 'Open read me first' and 'And read the instructions'.

Drive

Search in Drive

Shared with me > Copy the template to your drive

Files

Name ↓

Template

readme

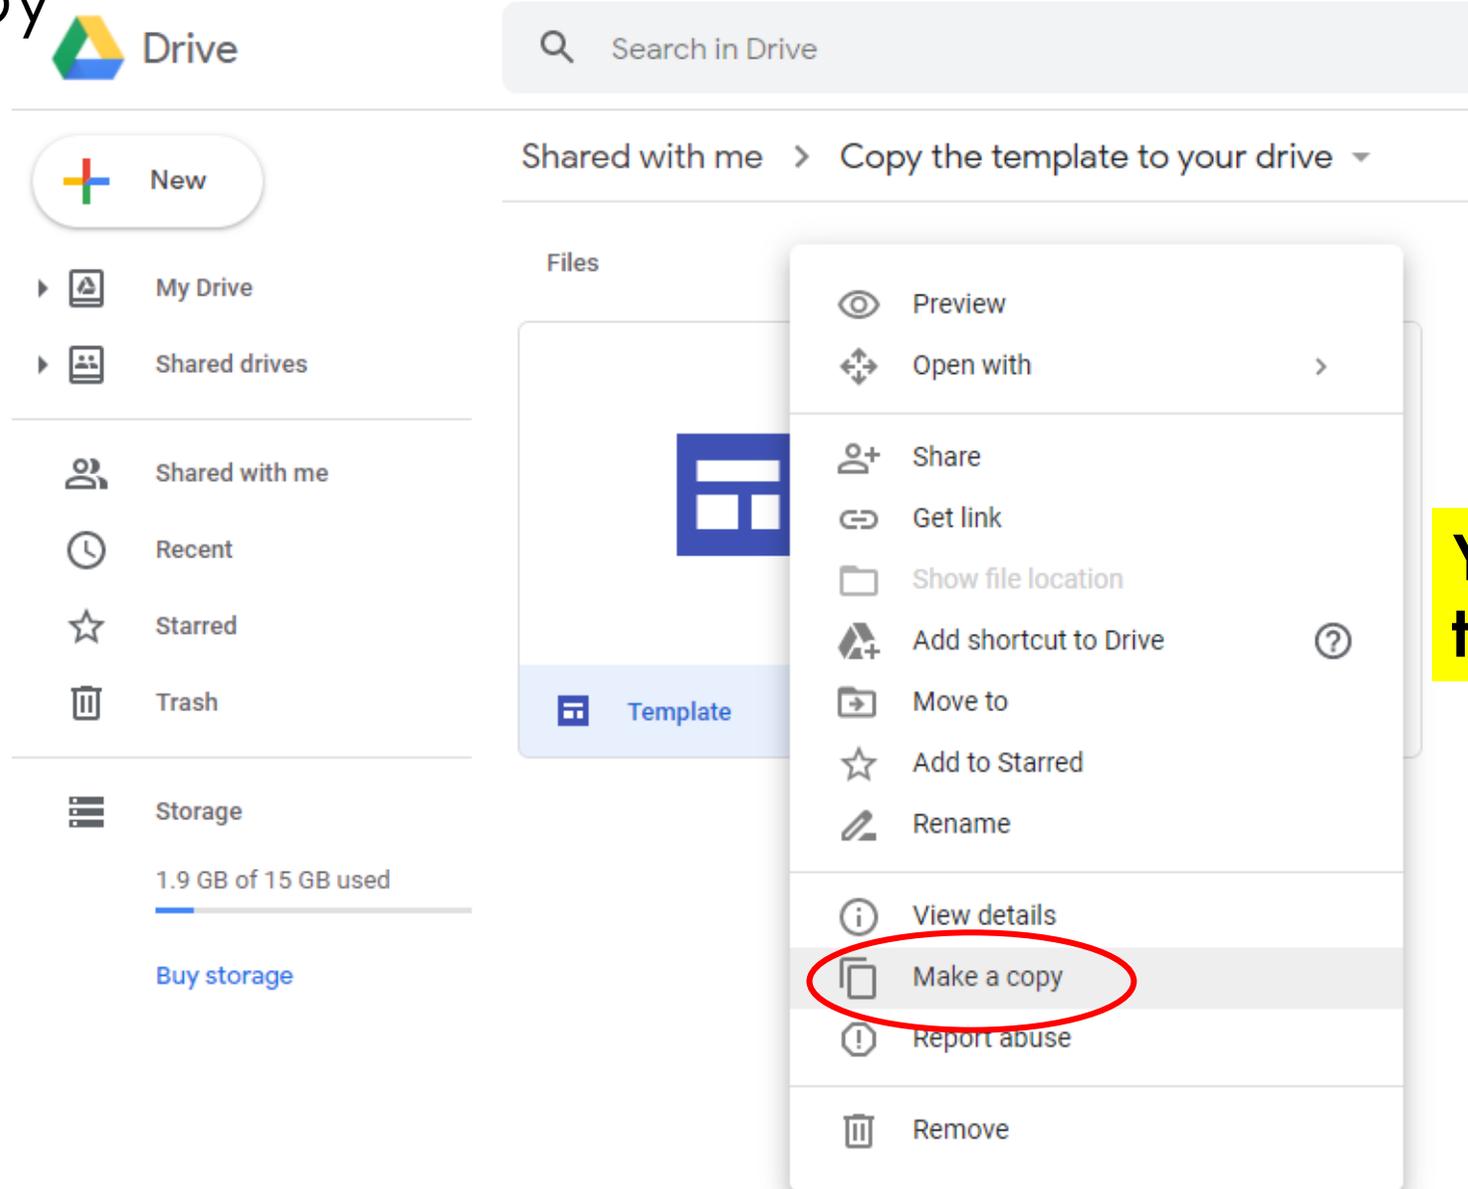

Open read me first
And read the instructions

Storage

1.9 GB of 15 GB used

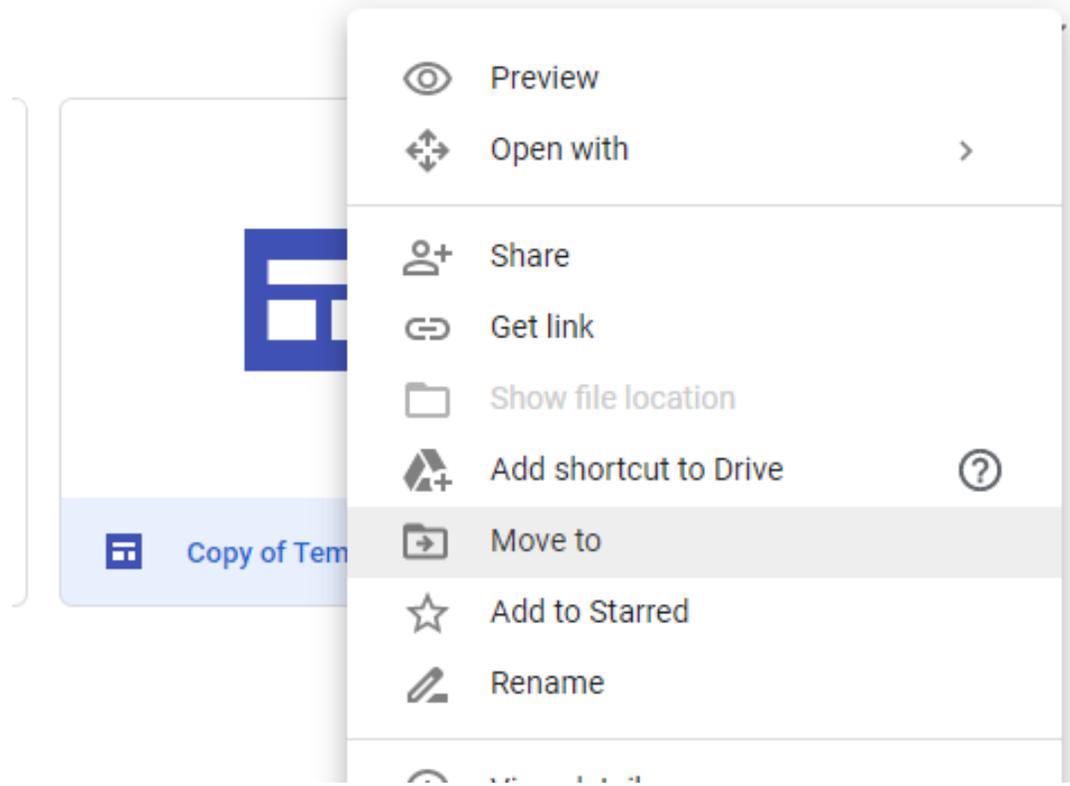

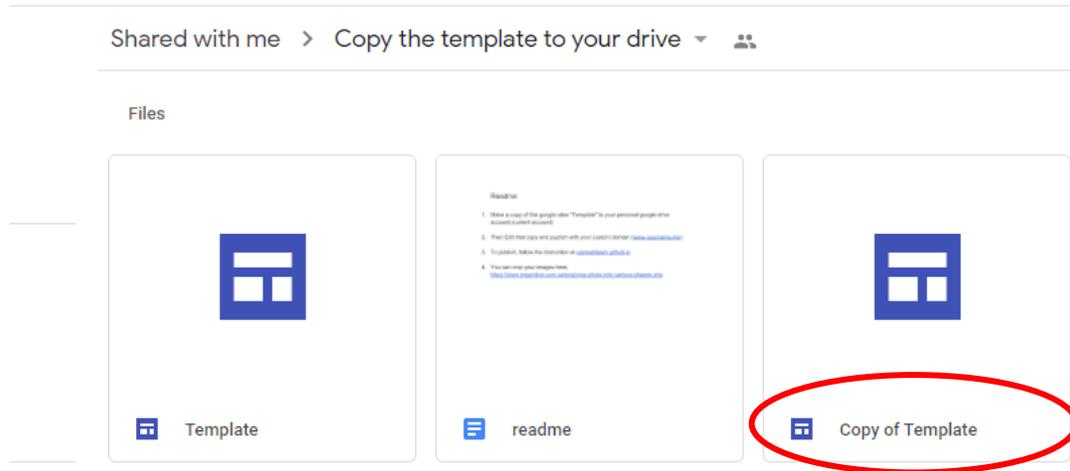

Buy storage

Right click on the Template file and click on make a copy

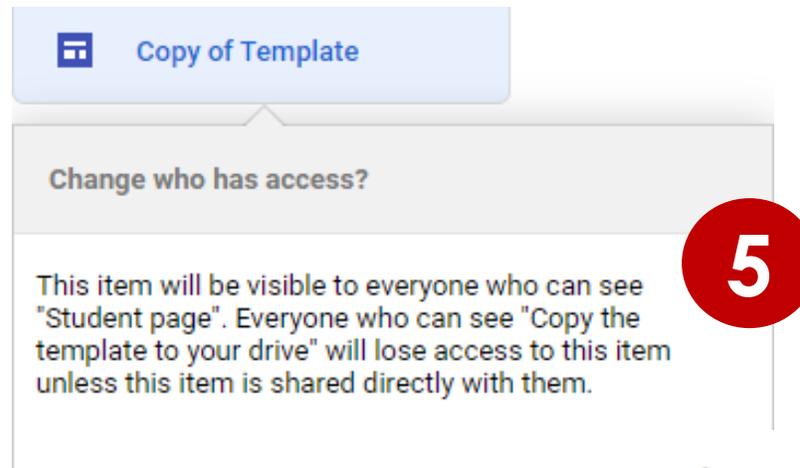

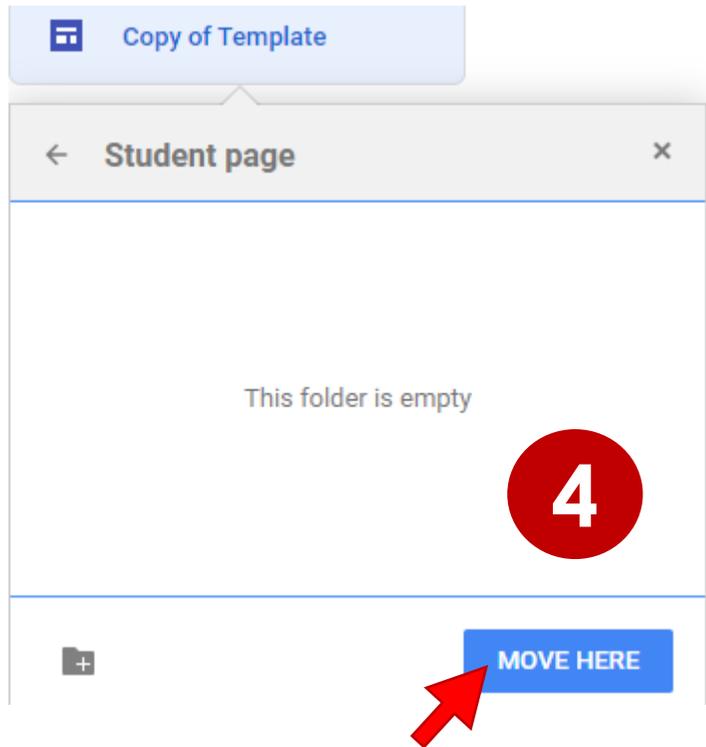

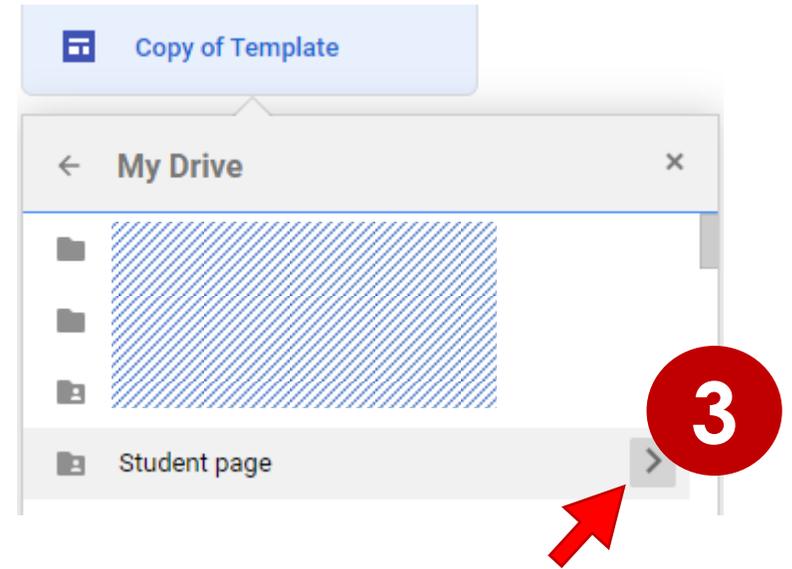

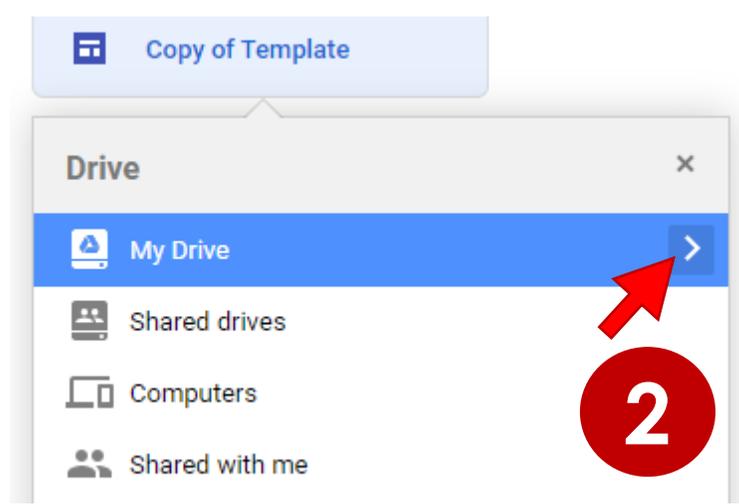

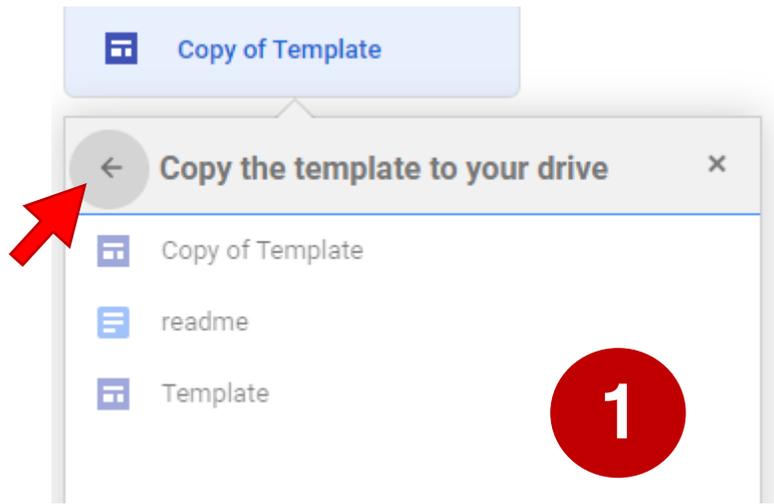

You don't need to open the file

Right click on the Copy of Template and move to your drive

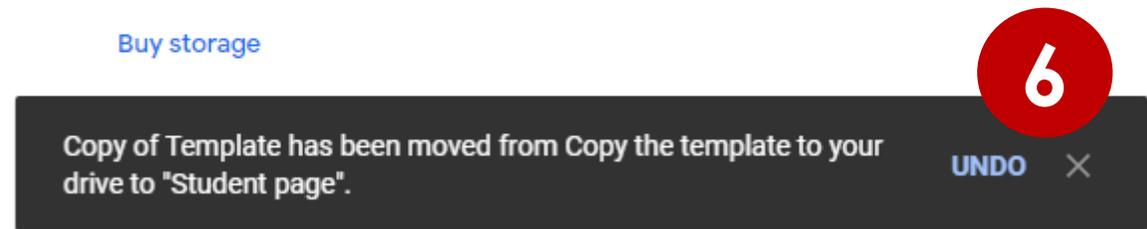

Follow the steps in the next page

Ignore step 5 and click Move

Now you have made a copy of the template in your drive

Please follow all the steps in the previous slide carefully and **do not start editing** your copy **inside** the **shared drive**

Move the **copy** to **your drive** and then start editing

Now edit your personal page template **copy** and publish with your **.me** domain

To publish your site go through the
“How to manage your domain in namecheap account
and publish your website?”

**Access to the shared template folder will
be removed within 48 hrs
But you can continue editing your copy...**
